NEW YEAR MESSAGE

Dear Parishioners,

Greeting to you in the precious name of our Lord and Saviour Jesus Christ. The old year is behind. Its record is made and cannot be changed. Doubtless there is much in it we would like to change, some things we wish we had done different, some things left undone, some regret and hopefully some good too.

The old year with its burden of record is passed away. The new year with all its possibilities has ushered in. There are lots of things we would like to forget and there are lots of things we like to remember.

As we have entered in a New Year we fail to understand the grace which is given to us by the Almighty God. We fail to understand the blessings which God has given to us. We become proud and think we are born intelligent we

are born genius. No one can beat us as we are the perfect one. This is what the people of Israelites did.

God brought the Israelites out of the bondage of slavery, they wondered in the wilderness, they ate their fill and they entered into the land which were flowing with milk and honey. But they never thanked God. So Moses said to the people:- Do not say to yourself “My power and the might of my own hand have gotten me this wealth. But remember the Lord your God for it is he who gives you power to get wealth, so that he may confirm his covenant that he swore to your ancestors. And as he is swearing to you today.”

Let us give thanks to God for taking care of all of us during the past year.

Let us give thanks to God for family and friends.

Let us give thanks for the food we eat, clothes we wear and shelter to live in.

Let us remember that God has been with us in our joy and sorrow. His presence was always with us and will be always with us in troubles, and trial.

Let us not forget all that God has done for us and for our family.

As we have entered a New Year let us ask God to bless us and guide us in this New Year.

Let us allow the Lord to transform us – Reduce our mountain of worries

Reshape our tragedies into triumphs – Rediscover the source of our sufficiency

Regenerate our soul – Resolve our doubts – Reshape our thinking – Refashion our life - Reaffirm our commitment – Reform our attitude – Replenish our joy.

Let us tell everybody that in 2023 the New Year God will turn our sickness into health – God will turn weakness into strength – God will turn our want into wealth – God will turn our disgrace to honor – God will turn our crosses to comfort – God will turn our miseries to mercies – God will turn our sorrow to joy.

May God bless all of us in this New Year may His blessing be on our family and home now and always. Amen.

WISH YOU ALL A VERY HAPPY AND PROSPEROUS NEW YEAR 2023.
