

PARISH NEWS

QUOTES FOR MOTHERS:

Theodore Roosevelt: “Into the woman’s keeping is committed the destiny of the generations to come after us. In bringing up your children, you mothers must remember that, while it is essential to love and be tender, it is no less essential to be wise and firm.”

Thomas Edison: “I did not have my mother long, but she cast over me an influence which has lasted all my life. The good effects of her early training I can never lose. If it had not been for her appreciation and her faith in me at a critical time in my experience, I should never likely have become an inventor. I was always a careless boy, and with a mother of different mental caliber, I should have turned out badly. But her firmness, her sweetness, her goodness were potent powers to keep me in the right path. My mother was the making of me. The memory of her will always be a blessing to me.”

PRAYER FOR ALL PARISHIONERS: Heavenly Father, We pray for your love and compassion to abound as we walk through this challenging season.

We pray for those who are suffering with sickness and all who are caring for them.

We ask for protection for the elderly and vulnerable to not succumb to the risks of the virus.

We pray for misinformation to be curbed that fear may take no hold in hearts and minds.

As we exercise the good sense that you in your mercy provide, may we also approach each day in faith and peace, trusting in the truth of your goodness towards us.

In Christ name we pray. Amen.

CONGRATULATIONS: We are happy to inform you that Deacon Edith Karishma Martin has been placed in the Disciples Church of Christ, CNI Jabalpur to assist Rev Nilesh Singh. We would like to congratulate her and pray that God may use her for His glory.

Presbyter’s Message

Greetings to you in the precious name of our Lord and Saviour Jesus Christ. This newsletter comes to you when we see the situation in our society and in our country gloomy, frightening and terrifying.

So many people have lost their lives, so many people are suffering and there is lack of oxygen and medicines in our society.

I request all of you to stay at home and take care of your family. Always follow the Covid protocol and start taking medicines as soon as you have some symptoms. Please do not wait for the reports to come.

God is our refuge and strength and he will take care of us no matter what happens. We need to believe that God is in control of the world and will remove this dangerous virus as soon as possible. We all need to come on our knees and plead to God to take care of us.

We all know life is a journey that we will do as it is written for us. But you need a companion that never betrays you in this journey. And it is hope in GOD.

You don’t ever say you don’t have anything. Because you always have hope in GOD that gives you everything.

It is hope that keeps you living. It is hope that keeps you driving.

It is hope that have you believing. It is hope that is everything.

You believe in yourself and you have faith in our God that you could get all that you want.

Hope is the pillar of your life on which you stand, dream and make everything.

We have a hope in eternal life, which means that we can attack today with a renewed vigour and strength.

No matter how tough it gets we all are equal or greater than it. We shall overcome.

When it gets tougher know that victory is close.

No problem stays forever, sooner or later the sun will rise.

Difficult moments are inevitable in life's pathway, one way or the other we are bound to face it. But the good news is that it doesn't last forever. It will soon pass.

To every trouble there is a way out. God is the refuge and strength to all that take refuge in Him. Be strong

You no longer need to feel the pains you feel, someone else has taken the burden 2000 years ago. Be happy always.

Yesterday is now in the past, today is in progress, tomorrow is a blank page that we can write our expectations on. Be positive about tomorrow.

Never lose your hope in these times. Hope is what keeps us going on.

There are seasons under the earth. No matter how long summer lasts, winter must come. This too shall pass

We can't always know the reason for happenings around us, but we are sure that God will take care of all of us . All will be fine. He is in complete control of our lives.

Happy moments praise God, difficult moments seek God, quiet moments worship God, painful moments trust God, every moments thank God always.

There is a place called tomorrow where hope lives and yesterday fades. The ticket into it is today and the guide to it is Faith.

Faith is the substance of our living. Jesus said if you have faith as small as a mustard seed and if you tell the mountains to be moved it will be moved. We all need to have this faith in our lives.

Faith that God will take care of all of in this troubled time.

Faith that no matter what happens God will not leave us nor forsake us.

Faith that one day everything will become normal and we all can lead an normal life in this world.

May God bless all of us and take care of our lives.
